

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over 60 years of experience effectively manufacturing, designing, developing, marketing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are devoted to offering top quality and new design concepts so as to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They like offering items which energize both their partners and their dealers and provide production gains to their customers.

The team at TREK enjoys handling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' needs and skills together with their understanding of cleaning applications, along with owners' strong desire to considerably lessen expense through productivity gains.

When required, the staff members within TREK and its many dealer members in both parts and in technical support will be accessible. One of their core values is their high service commitment in their customer service. Keeping their customers' cleaning equipment ready and working everyday is top priority. The company's top of the line technology delivers dependable machine that eventually lowers your cost of cleaning. The service, the product and the price all work together to make them the leader in the industry.
