

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery which are known within the business as strong and durable equipment which suits all the requirements of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These kinds of scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to supply machines, parts and warranty service for these types of scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of many facility supervisors where results and efficiency count. Recently, this floor scrubber model has been requested by the architects in new construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on site due to the model's utmost performance level and high standard of quality for polishing concrete.
